Mrs Vesna Melanšek  
Chairwoman  
Center društvo za avtizem  
Lavričeva 5  
SL-2000 Maribor  
Slovenia

Your membership number: **08/51/A**

Brussels, 28<sup>th</sup> May 2008

Dear Mrs Melanšek,

We are very pleased to inform you that the General Assembly of Autism-Europe has accepted the application of the Center društvo za avtizem as a full member of Autism-Europe. We are delighted to welcome you to our association.

You will find above the membership number of your association, and we would like to request you to use this number in all future correspondence with us. You will also find enclosed various documents published by Autism-Europe.

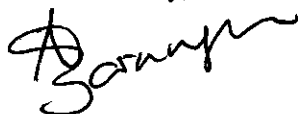

In 2008, Autism-Europe will continue raising awareness of the needs of persons with ASD towards the EU institutions and share information amongst members. The recent work of the European Union on deinstitutionalization will also have to be followed-up, keeping in mind the need of providing adapted care for every person with autism, while respecting their diversity and singularity.

To continue our common fight efficiently in 2008, Autism-Europe needs the support of all its members, and the sum of their experiences. Your support is essential to carry on our action at the European level and to represent the interests of persons with autism towards the European institutions. In this context, please find attached the invoice for the payment of your annual membership.

Please do not hesitate to contact us should you have any questions or need any kind of information.

We thank you a lot for your support to our activities to advance the right of persons with autism, and look forward cooperation with you in the future.

Yours sincerely,

Aurélie Baranger  
Administrative Director
