CELEBRITY TRICKS

These are a few of their favourite things...

KIM CATTRALL LOVES...

Touch Of Light, £10 (The Fragrance Shop and hqhair.com). This handy little highlighter boosts dull skin to give a glowing complexion — so who needs a toyboy?

DREW BARRYMORE LOVES...

Xen-Tan Transform Gradual Self-Tan, £14.95 (House of Fraser). The added moisturisers keep your skin soft and smooth, while its instant colour helps with application. Ingenious!

MISCHA BARTON LOVES...

Morgan Sweet Paradise Eau De Toilette Spray, £15 (0870 850 3868). Crisp and fruity, this deliciously light, floral scent is fabulous for all occasions — and at that price, it certainly won't upset the bank balance either.

MADONNA LOVES...

Ultratone, from about £30 an hour (020 7935 0631). This salon treatment stimulates the body and face to firm, tone and shape. *Give It 2 Me!*

Lisa's secrets

Beauty ed Lisa says: 'I'm addicted to cheap nail polish. I preach about base and topcoats but on my toes anything goes! I start with light shades, then pile on colour after colour until I get deep plum or black. Check out these from NYC, only £1.99 each.'

THANKS, DOC

These beauty ranges have all been designed by doctors — so we put them to the test...

DR HAUSCHKA These products encourage the skin to harmonise and balance itself, using all natural ingredients from fair-trade sources. They leave your skin feeling soft and smooth. **Our favourite:** The **Rose Day Cream**, £20, is sublime (01386 791 022, prices from £3 for a trial size).

DR HARNIK With its advanced formulas and natural ingredients, this range — inspired by the dermatologist Helena Harnik — is fantastic for helping to deal with problematic skin. **Our favourite:** The **Dark Circle Corrector Cooling Duo Concealer**, £6.99, is easy to use and looks great (Boots, prices from £6.99).

DR LEWINN'S A leading plastic surgeon, LeWinn created products that pushed the boundaries of anti-ageing skincare — but it's the most expensive skincare range we've tried. **Our favourite:** The **Private Formula Instant Beauty Radiance Booster**, £25, helps tired skin look refreshed (drlewinns.co.uk, Boots and Debenhams, prices from £10).
