rolling shutters | awnings | rolling doors | industrial doors and gates

# Price List 2012

immagine	n°	codice	descrizione	prezzo
<b>Motors</b>				
T-ONE - Ø45mm Tubular motors with electronic limit switch and integrated radio for ROLLING SHUTTERS				
	1	MTE45102	10 Nm for rolling shutters.	€180,00
	1	MTE45152	15 Nm for rolling shutters.	€185,00
T-ONE - Ø45mm Tubular motors with electronic limit switch and integrated radio for AWNINGS				
	1	MTE45321	Torque 32 Nm. It is equipped with a system of progressive reduction of power during the movement of retraction of the awning.	€200,00
				
Adapters for tubular motors Ø 45mm				
	1	MT450520	Groov 70	€4,50
	1	MT450521	Groov 78	€4,75
	1	MT450513	Groov 85 Imbac	€9,50
	1	MT450511	Octagonal 52	€4,50
	1	MT450510	Octagonal 60	€3,00
	1	MT450502	Octagonal 70	€6,75
	1	MT450512	Star 60	€3,00
	1	MT450505	Round 50	€4,50
	1	MT450506	Round 60	€3,00
	1	MT450515	Round 70	€6,50
	1	MT450508	Round 54 - ZF deprat 53	€2,80
	1	MT450509	Round 64 ZF	€3,25
	1	MT450517	Round 80 ZF	€9,00
	1	MT450507	Welsler 63 Deprat 62	€3,00
	1	MT450516	Deprat 89	€10,00
	1	MT10055	Support for snapcylindrical motorhead	€3,50
	1	MT10110	Support formetallic motorhead	€4,50
<b>Wireless transmitters</b>				
i-Like - Wireless hand transmitter				
		TVTXE868A02	2-channel - for the control of 2 automations or of 1 automation with separate buttons.	€32,00
	1	TVTXE868A04	4-channel - for the control of 4 automations or of 2 automations with separate buttons.	€34,00
TXP -Wireless hand transmitter with wall fixing support				
	1	TVTXP868A01	1-channel - for the contro of 1 automation.	€34,00
	1	TVTXE868A02	2-channel - for the control of 2 automations or of 1 automation with separate buttons.	€35,00
	1	TVTXE868A04	4-channel - for the control of 4 automations or of 2 automations with separate buttons.	€36,00
POD - Wireless hand transmitter with wall fixing support				
	1	TVTXQ868A03	3-channel - for the control of 1 rolling shutter or awning with open-stop-close function. Gray colour.	€45,00
	1	TVTXQ868N03	Version in black.	€45,00
	1	TVTXQ868S03	3 channel -for the control of 1 awning with SUN-ON and SUN-OFF function in the motor and in the control unit TVPRL868A02. Gray colour.	€45,00
	1	TVTXQ868SN03	Version in black.	€45,00
	1	TVTXQ868A18	18-channel - for the control of 6 rolling shutters or awnings with open-stop-close function. Gray colour.	€50,00
	1	TVTXQ868N18	Version in black.	€50,00
MOUSE - Wireless table or wall transmitter				
	1	TVTXM868A03	3-channel - for the control of 1 rolling shutter or awning with open-stop-close function. Gray colour.	€41,00
	1	TVTXM868N03	Version in black.	€41,00
INTENSE - Wireless wall transmitter				
	1	TVTXI868BB03	3-channel - for the control of 1 rolling shutter or awning with open-stop-close function.	€41,00
	1	TVTXI868NN03	Version in POLY black	€41,00
	1	SPLIPQ3B1T	POLYGLASS frame - White (Transparent polycarbonate)	€6,00
	1	SPLIPQ3N1T	POLYGLASS frame - Black (Transparent polycarbonate)	€6,00
	1	SPLIMQ3S1	IRON frame - stainless steel	€17,00
	1	SPLIVQ3B1	GLASS frame - White (glass)	€54,00
	1	SPLIVQ3N1	GLASS frame - Black (glass)	€54,00
	1	TVTXI868BB06	6-channel - for the control of 2 rolling shutters or awnings with open-stop-close function.	€48,00
	1	TVTXI868NN06	Version in POLY black.	€48,00

	1	SPLIPQ6B1T	POLYGLASS frame - White (Transparent polycarbonate)	€6,00
	1	SPLIPQ6N1T	POLYGLASS frame - Black (Transparent polycarbonate)	€6,00
	1	SPLIMQ6S1	IRON frame - stainless steel	€19,00
	1	SPLIVQ6B1	GLASS frame - White (glass)	€58,00
	1	SPLIVQ6N1	GLASS frame - Black (glass)	€58,00
<b>CLOCK - Timer wireless transmitter</b>				
	1	TVTXC868C04	Timer transmitter for the control of 2 automations in white colour with display.	€75,00
<b>TXK - Wireless keypad</b>				
	1	TVTXK868B04	Wireless keypad with a five-digit access code, white colour.	€85,00
	1	TVTXK868A04	Version in black	€85,00
<b>Mechanical switches</b>				
<b>SK - mechanical switches and push buttons</b>				
	1	SK0001	Double button mechanical switch.	€13,00
	1	SK0003	Double push-button switch.	€13,00
<b>SM - mechanical switches and push buttons</b>				
	1	SM0062	3-position mechanical switch.	€13,00
	1	SM0063	3-position push button.	€13,00
<b>Control units for rolling shutters motors</b>				
<b>INTENSE SOFT - Wireless control units with soft-touch buttons for rolling shutter motors</b>				
	1	TVPRI868BB01	Control unit for motors up to 350W. It can be inserted in the wall box of the switch.	€120,00
<b>SKINSOFT - Wireless control units with soft-touch buttons for rolling shutter motors</b>				
	1	TVPRH868A01-S	Control unit for motors up to 350W. It can be inserted in the wall box of the switch.	€120,00
<b>PRT - Wireless control unit for rolling shutter motors</b>				
	1	TVPRT868A01T	Wireless control unit for motors up to 350W for integration into the rolling shutter casing. Input for 1 dynamic push button.	€100,00
<b>PRD - Wireless control unit for rolling shutter motors</b>				
	1	TVPRD868A01T	Wireless control unit for motors up to 350W for integration into the rolling shutter casing. Input for 1 dynamic push button.	€98,00
<b>PRS - Wireless control unit for rolling shutter motors</b>				
	1	TVPRS868A01	Wireless control unit for motors up to 350W for integration into the rolling shutter casing. Input for 1 dynamic push button.	€108,00
	1	TVPRS868A02	Wireless control unit for rolling shutter motors up to 350W for integration into the rolling shutter casing. Separate input for 2 push buttons: open and close push button.	€110,00
	1	TVPRS868A24	Wireless control unit for 24V rolling shutter motors for integration into the rolling shutter casing. Open-stop-close function. Input for 1 dynamic push button.	€100,00
	1	TVPRS868A12	Version for 12V motors.	€100,00
<b>PRV - Wireless control unit for rolling shutter motors</b>				
	1	TVPRV868A24	Wireless control unit for 24V motors for Venetian blinds with open-stop-close function.	€100,00
<b>Control units for awnings motors</b>				
<b>PRL - Wireless control unit for awnings motors</b>				
	1	TVPRL868A02	Wireless control unit for awnings motors up to 350W. Input for sun sensor and anemometer.	€120,00
<b>TVPRL868A02 ACCESSORIES</b>				
	1	ANEM4	Anemometer.	€30,00
	1	LUX-01	Sun Sensor.	€24,50

## Weather and alarm sensors for rolling shutters

Light / anti-intrusion sensor

1 TVSLI868A01

Sensor with sucker to be fixed to the glass of the window for the detection of light intensity to control the shaded area.

€120,00

Kit Alarm

1 TVLKIT-A300

Alarm kit for the surveillance and control of rolling shutters and doors.

€150,00

## Weather sensors for awnings

Wireless vibration sensor

1 TVSVB868A01

Wireless sensor to be placed on the movable part of the awning that detects vibrations of the structure stressed by the wind.

€70,00

Wireless 230V sensor

1 TVANLUX868SWR

230V wireless transmitter to which it is possible to connect sun, wind and rain sensors.

€70,00

ACCESSORIES

1 ANEM4

Anemometer.

€30,00

1 LUX-01

Sun Sensor.

€24,50

1 RAIN100

Rain Sensor.

€70,00

## Control units for rolling doors motors

MY-DOOR - Control unit for the wireless command of rolling doors

1 TVPRP868A08L

Control unit for the wireless command of rolling doors in outdoor box for motors up to 400W with 25W lamp integrated. In the basic version the safety devices are connected by wire. Optional wireless safety control thanks to the "MY SAFE kit."

€160,00

1 TVPRP868A08

Control unit for the wireless command of rolling doors in outdoor box for motors up to 400W. In the basic version the safety devices are connected by wire. Optional wireless safety control thanks to the "MY SAFE kit."

€140,00

ACCESSORIES FOR MY-DOOR

1 TASTIERA

With Open/Stop/Close function, fixed on the cover with control LED, voltage and photocell alignment.

€30,00

1 TASTO

Open/Stop/Close fixed on the cover.

€9,00

1 CAVO

Cable.

€7,00

Kit MY-SAFE - Kit for the security of rolling doors for TVPRP868A08 and A08L control units

1 MTRX2.4GA08KIT

Kit for the security of rolling doors including a MASTER receiver (Electronic Board) to be connected to the control unit and a SLAVE device (TCSP) to be fixed on the door and to be connected to the photocell of the safety edge. The communication between these devices is wireless.

€125,00

PRW RADIO SAFE - control unit for the wireless control of rolling doors

1 TVPRW868I04

Wireless control unit integrated in the end plate of the rolling door for the control of tubular motors up to 400 W.

€200,00

## Safety devices for rolling doors

TCSP Transceiver - Security device for rolling doors compatible to the TVPRW Radio Safe control unit.

1 TCSP240A04

2.4Ghz Transceiver to be placed on the bottom profile of the door and to be connected to the photocell of the safety edge.

€90,00

BRAKE

1 TPA-TSNC18T

Fall protection mechanism for rolling doors.

€98,00

1 TPA-F1C18

Fall protection mechanism for rolling doors.

€110,00

<b>DOORLED - Courtesy light</b>					
	1	TSIG-DL30	Courtesy LED light ideal for rolling doors. Fixing support and power supply cable included.	€75,00	
<b>TPS - Infrared transmitter</b>					
	1	TPS-SW12LP	IR transmitter photocell with self-balancing adjustment.	€110,00	
	1	TPS-S1102L	IR transmitter photocell with self-balancing adjustment.	€110,00	
<b>Spiral cable</b>					
	1	TPS-001JB	6.5m spiral cable with junction box.	€55,00	
<b>Safety edge Rubber Profile</b>					
	1	TPS-PA204001	Rubber profile h=30mm (price per meter – 25m reel). Profile for mounting on the aluminium guide or on the doorprofile. Sealing lip, rip-off foot from 20 to 15mm.	€20,00	
	1	TPS-PA257501	Rubber profile h=55mm (price per meter – 22m reel). Profile for mounting on the aluminium guide or on the door profile. Sealing lip, rip-off foot from 25 to 19,5mm.	€24,00	
	1	TPS-PV143601	Rubber profile h=28mm (price per meter – 50m reel.) Profile for mounting on the aluminium guide or on the door profile. Sealing lip, rip-off foot from 9,6 to 7,5mm.	€20,00	
	1	TPS-PV154000	Rubber profile h=29,5mm (price per meter – 50m reel). Profile for mounting on the aluminium guide or on the door profile. Sealing lip, rip-off foot from 14,5 to 9,8mm.	€24,00	
	1	TPS-ALU2509	Aluminium guide (pieces of 2,5m – price per meter).	€10,00	
	1	TPS-OSE -B3512	Bumper for safety edge. TPS-PV143601 and PV154000.	€9,00	
	1	TPS-OSE -B3516	Bumper for safety edge. TPS-PA204001.	€9,00	
	1	TPS-OSE -B5518	Bumper for safety edge. TPS-PA257501.	€9,00	
<b>Safety devices for industrial doors</b>					
<b>Kit RADIO SAFE</b>					
	1	RCSP240A04	Master transceiver with integrated antenna to be connected to the autotest input of the motor control unit.	€65,00	
	1	TCSP240C04	Transceiver to be fixed to the door and connected to the photocell of the safety edge.	€85,00	
<b>Infrared photocell</b>					
	1	FTC010A01	Photocell that detects obstacles within the range of the automation.	€50,00	
<b>GSM control units</b>					
	1	TVGSM200	GSM receiver with integrated RF module and management of wireless transmitters with SMS.	€320,00	
	1	TVGSM000	Version without RF module.	€290,00	
<b>Receivers for industrial doors and gates</b>					
	1	TVRPL868A01P	230V plug in receiver with 1m cable to be connected to the push button input of the garage door motor.	€100,00	
	1	TVRCE868A01	Wireless receiver for control units for industrial doors and gates provided for the insertion of 4 impulsive (MC001) or timer (MCTIM) relay modules.	€95,00	
	1	TVRCV868A01	230V version.	€105,00	
	1	TVRCM868A02	2-channel wireless receiver for control units for industrial doors and gates. It can manage up to 99 transmitters. Power supply 12/24Vdc. Impulsive function.	€81,00	
	1	TVRCM868A2000	2-channel wireless receiver for control units for industrial doors and gates. Possibility to memorize up to 2000 transmitters. Impulsive function. Power supply 12/24Vdc.	€90,00	
<b>Accessories for receivers</b>					
	1	MC001	Impulsive relay module.	€8,00	
	1	MCTIM	Timer relay module.	€13,00	
	1	ANT868	868MHz stylus antenna.	€25,00	

## TAK - PC programmable transmitters for gates and doors

### TAK - Wireless transmitters

	1	TAK868A01	1-channel - for the control of 1 automation.	€30,00
	1	TAK868A02	2-channel - for the control of 2 automations or of 1 automation with separate buttons.	€32,00
	1	TAK868A04	4-channel - for the control of 4 automations or of 2 automations with separate buttons.	€34,00

	1	TAK868C02	2-channel - for the control of 2 automations or of 1 automation with separate buttons.	€32,00
	1	TAK868C04	4-channel - for the control of 4 automations or of 2 automations with separate buttons.	€34,00

### TAK - Programmer

	1	TAKUSB001	USB programmer to set the memory of the transmitters via LED. To be connected to the PC through USB cable. KIT COMPOSED BY 1 programmer TAKUSB 1 USB cable 1 power supply unit for TAKUSB	€500,00
---	---	-----------	---	---------

### TAK - Receivers

	1	TAKRCE868A04	4-channel outdoor receiver with display. Power supply 230V, memory up to 2000 transmitters. Each relay can be programmed with impulsive, ON/OFF or timed output.	€130,00
	1	TAKRCV868A04	230V Version.	€140,00

 	1	TAKRCM868A02	2-channel mini outdoor receiver. Power supply 12-24 V. Memory up to 2000 transmitters. Relay with impulsive function. (programmable).	€81,00
	1	TAKRCM868A04	2-channel outdoor mini receiver. 12 / 24 V power supply. Relay with impulsive function. Memory up to 42 users (not programmable).	€90,00

### Memory modules

	1	TAKMEM2000	Programmable memory module for 2000 users for TAKRCM receivers.	€50,00
	1	TAKMEM2000B	Programmable memory module for 2000 users for TAKRCV and TAKRCE receivers.	€50,00

## 433MHz Transmitters

### TXP - Wireless hand transmitters

	1	TXP433A01	1-channel - for the control of 1 automation.	€27,00
	1	TXP433A02	2-channel - for the control of 2 automations or of 1 automation with separate buttons.	€29,00
	1	TXP433A04	4-channel - for the control of 4 automations or of 2 automations with separate buttons.	€31,00

### TXR - Wireless hand transmitter

	1	TXR434A02	2-channel - for the control of 2 automations or of 1 automation with separate buttons.	€27,00
---	---	-----------	--	--------

### TXR - Wireless hand transmitters

	1	TXR433A01	1-channel - for the control of 1 automation.	€27,00
	1	TXR433A02	2-channel - for the control of 2 automations or of 1 automation with separate buttons.	€29,00
	1	TXR433A04	4-channel - for the control of 4 automations or of 2 automations with separate buttons.	€31,00

### TXW - Wireless wall transmitters

	1	TXW433A02	2-channel - for the control of 2 automations or of 1 automation with separate buttons.	€30,00
	1	TXW433A04	4-channel - for the control of 4 automations or of 2 automations with separate buttons.	€32,00

### TXK - Wireless keyboard

	1	TXK433B04	Wireless keypad with a five-digit access code. 4-channel, 3 of them are encoded and 1 is free. Black colour.	€85,00
	1	TXK433B04WHI	Version in white.	€85,00

## 433MHz Receivers

	1	RCM434A01	1-channel receiver with memory to manage up to 85 transmitters. Impulsive function.	€70,00
	1	RCM434A02	2-channel receiver with memory to manage up to 85 transmitters. Impulsive function.	€75,00
	1	RCE433A01	Receiver for control units set for the insertion of 4 impulsive relay modules. 1 is inserted and possibility to insert 3 additional ones. Equipped with memory strip up to 85 users.	€90,00
	1	RCV433A01	230V Version.	€100,00

<b>Relay and memory modules</b>				
	1	MEM85	Memory strip up to 85 users.	€14,00
	1	MEM340	Memory strip up to 340 users.	€22,00
	1	MC001	Impulsive relay module.	€8,00
	1	MCTIM	Timer relay module.	€13,00
	1	MCMEM	Memory relay module.	€13,00
<b>Accessories</b>				
	1	ANT433	433MHz stylus antenna.	€25,00
<b>RF Detector</b>				
	1	RF DETECTOR	Frequency detector for radio signals in 433,92 MHz and 868,3 MHz.	€240,00
<b>Electric Locks</b>				
<b>Electric lock with 1 front cylinder and 1 rear cylinder 50 mm long</b>				
	1	ST46-C 5012A	Power supply 12 Vac	€120,00
	1	ST46-C 5012C	Power supply 12 Vdc	€120,00
	1	ST46-C 5024C	Power supply 24 Vdc	€125,00
<b>Electric lock with 1 front cylinder and 1 rear cylinder 90 mm long</b>				
	1	ST46-C 9012A	Power supply 12 Vac	€125,00
	1	ST46-C 9012C	Power supply 12 Vdc	€125,00
	1	ST46-C 9024C	Power supply 24 Vdc	€130,00
<b>Electric lock with front knob and 1 rear cylinder</b>				
	1	ST46-P 0012A	Power supply 12 Vac	€115,00
	1	ST46-P 0012C	Power supply 12 Vdc	€115,00
	1	ST46-P 0024C	Power supply 24 Vdc	€120,00
<b>Electric lock with front cylinder for automatic gates</b>				
	1	ST46-CA 0012A	Power supply 12 Vac	€110,00
	1	ST46-CA 0012C	Power supply 12 Vdc	€110,00
	1	ST46-CA 0024C	Power supply 24 Vdc	€115,00
<b>Electric lock with front knob for up-and-over doors</b>				
	1	ST46-B 0012A	Power supply 12 Vac	€95,00
	1	ST46-B 0012C	Power supply 12 Vdc	€95,00
	1	ST46-B 0024C	Power supply 24 Vdc	€100,00
<b>Electric lock for European profile cylinder (without cylinder)</b>				
	1	ST46-PE 0012A	Power supply 12 Vac	€90,00
	1	ST46-PE 0012C	Power supply 12 Vdc	€90,00
	1	ST46-PE 0024C	Power supply 24 Vdc	€95,00
<b>Accessories for electric locks</b>				
	1	ST/CP	Counter plates.	€7,00
	1	ST/IT	Steel ground plate.	€4,00
	1	ST/12Vac	12 Vac. coil.	€28,00
	1	ST/12Vdc	12 Vdc. coil.	€28,00
	1	ST/24Vdc	24 Vdc. coil.	€30,00

## **SALES CONDITIONS**

### **PRICE LIST**

This price list replaces and nullifies all previous price lists. The prices are ex-factory excluding VAT. In all situations the goods travel at the customer's risk. This price list may undergo variations that will be communicated with at least 15 days notice.

### **PRODUCTS**

Teleco Automation reserves the ownership of the products delivered to customers until payment of the full contract price, formed by the principal amount and the charges. In case of payment failure of all or part of the agreed price, within the deadline, for any reason, Teleco Automation can, without formalities, regain physical possession of the goods at expense and risk in charge of the customer. In this case, the customer agrees to participate actively at the preparation of an inventory of these products.

### **DELIVERY TERMS**

Indicatively fixed to 20 working days from our acceptance of your order. Teleco accepts no responsibility for damages due to delays in delivering the goods.

### **DAMAGE CLAIMS**

Damage claims will only be accepted if they are sent by registered letter within and not later than 8 days after receipt of the goods.

### **GUARANTEE**

Our products are carefully tried and tested before being placed on the market. Teleco guarantees their products for construction defects and defective materials that are proven to have occurred within 24 months of the production date as indicated on the appliance. The goods must be returned to the factory and all delivery charges are at the customer's expense.

### **ARBITRAL COLLEGE**

The Treviso court of law is responsible for all disputes. The enforceable law is the Italian one.

**TELECO AUTOMATION** reserves the right to make changes to their products without prior notice and refuses any responsibility for any possible transcript errors in the price list.
